

Intermap Announces Board Changes

2 Aug, 2016

DENVER – August 2, 2016 (TSX: IMP) – Intermap Technologies Corporation (“Intermap” or the “Company”), a leading provider of location-based solutions, today announces that Patrick A. Blott has been elected Chairman of the Board and Michael A. Hoehn has been elected as Chairman of the Audit Committee. John C. Curlander has resigned as a director of the Company effective July 29, 2016.

The Board of Directors of Intermap wishes to thank Mr. Curlander for his contributions on behalf of the Company.

“John has been a trusted advisor to the Intermap leadership team and every member of the board for nearly five years,” said Todd Oseth, president and chief executive officer of Intermap. “We wish John the very best.”

About Intermap Technologies

Headquartered in Denver, Colorado, Intermap (www.intermap.com) is an industry leader in geospatial solutions on demand with its secure, cloud-based Orion Platform™. Through its powerful suite of 3DBI applications and proprietary development of contiguous databases that fuse volumes of geospatial data into a single source, the Orion Platform is able to provide location-based solutions for customers in diverse markets around the world. Intermap Reader Advisory

Certain information provided in this news release constitutes forward-looking statements. The words "anticipate", "expect", "project", "estimate", "forecast" and similar expressions are intended to identify such forward-looking statements. Although Intermap believes that these statements are based on information and assumptions which are current, reasonable and complete, these statements are necessarily subject to a variety of known and unknown risks and uncertainties. You can find a discussion of such risks and uncertainties in our Annual Information Form and other securities filings. While the Company makes these forward-looking statements in good faith, should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary significantly from those expected. Accordingly, no assurances can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what benefits that the Company will derive therefrom. All subsequent forward-looking statements, whether written or oral, attributable to Intermap or persons acting on its behalf are expressly qualified in their entirety by these cautionary statements. The forward-looking statements contained in this news release are made as at the date of this news release and the Company does not undertake any obligation to update publicly or to revise any of the forward-looking statements made herein, whether as a result of new information, future events or otherwise, except as may be required by applicable securities law.
